

Planed Maple Factory Flooring (T&G)

Species: Maple
Thickness: 3/4"
Widths: 2 1/4 and 3" widths
Lengths: Random lengths from 3' - 10'
Profile: T&G
Surface: Planed
Character: Nail holes, pin knots, occasional scars
Applications: Floors, walls, and ceilings

Story:

Salvaged from mills and factories along the industrial corridor from Richmond to New Haven, our maple factory flooring retains bright, creamy tones underneath centuries of dust and footfall.
