

Maple Gym Floor

Species: Maple
Thickness: 1"
Widths: Uniform 1 1/2" widths
Lengths: Random lengths from 2' - 7'
Profile: T&G
Surface: Original
Character: Scuffs, paint
Applications: Floors, walls, and ceilings

Story:

We salvage this material from basketball courts whose days have been and gone. Scuffs and traces of three-point lines attest to the sporting past of this material. Maple is rock hard, so there's plenty of life left in these boards.
